

HASA Racing Ride-A-Longs In Roseburg

Saturday, 06 June 2009 08:00

Several guests of HASA Pool Products were given a special treat this Saturday at the Douglas County Speedway, in Roseburg, Oregon. Courtesy of Bill McAnally Racing's two-seater Ride Car, lucky fans were given an exciting two-lap ride around the .375-mile oval.

Hasa Driver, Moses Smith of the #16 Hasa / White Flyer Toyota Camry took time out of his busy schedule, to personally take these folks on the ride of their lives. There were definitely a lot of smiling faces as they climbed out of the race car after their two-lap excursion around the track.
